

2nd Autumn Doctoral  
Consortium on Behavioral  
Decision Making, IE University

November 4th, 2021, Virtual Event

# CALL FOR ABSTRACTS

The Risk, Uncertainty, and Decisions (RUD) group at IE University (Spain) is hosting its 2<sup>nd</sup> Autumn Doctoral Consortium on Behavioral Decision Making. PhD scholars, 3<sup>rd</sup> year and above, are invited to submit an abstract of their work related to decision-making, broadly defined. Open for scholars from business schools in the fields of Decision Sciences, Entrepreneurship, Marketing, Organizational Behavior & Behavioral Operations.

**Keynote speaker:** Prof. Gerben A. van Kleef, Univ. of Amsterdam. Associate Editor at *OBHP*

Selected participants will present their research in either a 20-minutes talk or a 5-minutes flash talk. A faculty panel will provide feedback. Best Student Paper prizes will be awarded. This is a virtual event and does not require any registration fees.

## Guidelines for Abstract Submission

- Deadline for submission: **6th September, 2021, 5 pm Madrid time.**
- Abstract (12-point font size, in PDF format) of no more than 1000 words (excluding references).
- Include names of all co-authors and their university affiliations. Clearly identify the presenting student author.
- Research work should be ongoing and not published.
- Email your submissions to [rudgroupie@gmail.com](mailto:rudgroupie@gmail.com).
